A. Section: V. Enrollment Tuition & Fees: Sub Category 'Types of Financial Aid' →  
Cal Grant:

When to apply by?

FAFSA/ DREAM Act must be applied or by March 2<sup>nd</sup> of the award year prior to the start of the school year.

Students may be eligible for a Cal Grant award by first applying for FAFSA/DREAM act by March 2<sup>nd</sup>. Then student's login through the California Student Aid Commission (CSAC) at: <https://mygrantinfo.csac.ca.gov/>. Students go through the Webgrants for Students portal. Student must have completed either a FAFSA or a DREAM Act application, that application is then sent to CSAC. Grants administered by CSAC are based on a students' Family contribution and need.

Eligibility for the Cal Grant is also subject to students full-time, three quarter time, or half-time enrollment at the time that Healing Hands School does a Census for each quarter. Healing Hands School will administer a Census six weeks after each quarter begins.

Ex: Summer quarter begins July 1<sup>st</sup>, Census will be administered August 12<sup>th</sup>  
Fall quarter begins October 1<sup>st</sup>, Census will be administered November 12<sup>th</sup>  
Winter begins January 2<sup>nd</sup>, Census will be administered February 13<sup>th</sup>  
Spring begins April 1<sup>st</sup>, Census will be administered May 13<sup>th</sup>

Full time, three quarter time, or half time is determined by the amount of hours or credits a student takes per quarter. 30 clock hours = 1 credit unit. To be considered full time, a student must take 260 hours, or 12 credits in one quarter. Anything different will change the amount of grant a student is eligible for.

Ex: 200 hours in a quarter = 10 units = 3/4 time

In this example a student would then be eligible for  $\frac{3}{4}$  of the grant available for that quarter.

The Cal grant is split into 4 separate quarters. This means that whatever the total amount a student is eligible for gets split into 4 separate quarters, with the same amount available in each

quarter. A student will use 133% of eligibility each year, or 33% per quarter. The max amount of funding for a lifetime is based on 400%

EX: \$4,000 cal grant: \$1,000 available in each summer, fall, winter, and spring quarter.

EX: Student applies for FAFSA/DREAM by March 2<sup>nd</sup>, 2022 to be eligible for the Cal grant starting July 1<sup>st</sup>, 2022 – June 30, 2023.

Students who miss this deadline may still apply to be considered for the competitive award cycle. There is no guarantee that someone can be awarded during the competitive cycle as funds are extremely limited.
